*Our Lady of the Hamptons  
Regional Catholic School*

The **OLH Hamptones** is a group of dedicated young students in grades four through eight who value their God-given talents and seek to share their songs with a wide audience. Most are “graduates” of the Joyful Noise, the OLH preparatory choir.

The **Diamond Hamptones** are those eighth graders who are the veterans of the group: Walter, Seneca, Kathryn, Kiara, Alexandra, Melissa, Katie and Cristian. They have performed at Maria Regina and St. Joseph’s Convents in Brentwood, the Suffolk County Supreme Court, Tomorrow’s Hope Gala, Southampton Veterans’ Day, Hampton Care Center, Catholic Daughters of the Americas and at the OLH Jubilee celebration..

The **Gold** are the upper grade singers: Nicole, Katie, Marielle, Kelsey, Sabrina, Samantha, Brittany, Taylor, Danielle, Kayla, Jessie and McKenna. They have joined their Diamond partners at the Rogers Memorial Library, Southampton Historical Museum, OLH Senior Citizens’ Days and Grandparents’ Days and serve as mentors to the second year **Silver Hamptones**: Jonathan, Christina, Andrea, Allegra, Jacqueline, Natalie, Victoria, Elizabeth and Ian .

In their first year as chorus members, the

**Bronze** members are: Stephanie, Juliet, Hana, Erin, Allison, Alyssa, Thalia and Alexis. With a vast repertoire, the Hamptones enjoy performing at parish, school and civic functions and have enhanced celebrations such as school liturgies, Confirmations, the dedication of Gaby’s Garden, the tribute for Father Gill, First Communions, graduations and the anniversary show at Sacred Hearts of Jesus and Mary.

Many of the Hamptones are active members of local theatre companies and **OLH** Drama. They perform as soloists and ensemble members in class and major school productions. Some also participate in the children’s choir and folk groups

within their parishes.

As the Hamptones complete their sixth year of performance, they look forward to increased ability to sight read, additional opportunities to perform “on the road” and a chance to share their fourth professional recording of their favorite music, “Songs of Jubilee”, following their successful CDs, “Peace I Leave with You”, “Love Is Spoken Here” and “Enter the Journey” !
